NEW SEASON, NEW LEADER

In its first three seasons in the United Soccer League, a different head coach has led the RGV FC Toros every single season. On December 6, 2017 the Houston Dynamo and RGV FC Toros appointed as the head coach of the Toros.

Before arriving to the Rio Grande Valley FC Toros, Echeverry served as head coach of Seton Hall Pirates men's soccer program for the last five years. Prior to Seton Hall, the 46-year-old was an assistant coach for the U.S. Soccer Federation Under-17 Youth National Team and residency program under current Dynamo Head Coach Wilmer Cabrera from 2008-2011, evaluating prospects for the residency team and implementing training plans with an emphasis on developing attacking players. Echeverry also served as the head coach for the U-16 men's national team in the Mondial Minimes International Tournament in Montague, France.

The Dynamo technical staff, led by Jordan, Cabrera and Assistant General Manager Nick Kowba, selected Echeverry. The hybrid relationship between the Dynamo and RGV FC in which the Dynamo control all aspects of soccer operations, including employment of the technical staff and player selection, while RGV FC manages the business side of the club, was unique in MLS when RGV FC was launched in 2016 and has quickly been emulated by multiple MLS clubs over the past two years.

Gerson Echeverry was a skilled player and on practice sessions you can catch glimpses of his technique. In his earlier days, Echeverry set himself as one of best players in Seton Hall history. The Paterson, N.J. native is a member of the Seton Hall Athletics Hall of Fame. He ranks third in school history with 32 assists and sixth with 41 goals. Echeverry was a member of the 1991 campaign, which is

still considered as one of the best single-season performances in program history. That year, he finished the season third in the nation with 52 points while leading the team to the BIG EAST Championship. Echeverry was named Most Outstanding Player of the BIG EAST Championship, BIG EAST Offensive Player of the Year and a Third-Team All-American. At the professional level, Echeverry played as a forward in Major League Soccer for the NY/NJ MetroStars and D.C. United, as well as for Cortuluá in Colombia's Categoría Primera A (first division).

With new faces in the team, Echeverry has the task of building the team's chemistry and implementing his vision on the field. After missing out on USL playoffs last season, the RGV FC Toros are hungry for revenge.
